Experience

Full-Stack Web Developer Intern   Remote, India
Business Web Solutions (BWS) Inc.   January - April 2025
- Developed Jiso project after completing comprehensive training in JavaScript, React.js, Node.js and other technologies
- Integrated an open-source LLM into app workflows, enabling personalized automated insights and suggestions for users

Projects

Jiso - Mental Health Companion   jiso-frontend ↗
Internship Project
- Engineered the frontend using React.js and devised a scalable RESTful backend via Node.js, Express.js, and MongoDB
- Integrated an open-source LLM to power therapist-style chat interactions, delivering real-time personalized suggestions and mental health assistance
- Implemented mood-tracking and journaling features inspired by CBT (Cognitive Behavioral Therapy) techniques to support daily user engagement; increasing app effectiveness by 30%

Floating Sticky Notes   sticky-notes ↗
Personal Project
- Developed an interactive full-stack note-taking app with React.js inspired by Windows
- Leveraged AppWrite as cloud-based backend

Quirx - Video Sharing Platform   quirx ↗
Personal Project
- Built a full-stack video-sharing site using PHP and MySQL
- Implemented an admin dashboard to moderate content and manage users
- Devised a star-based rating system to enhance user feedback and interactivity

Quiz Time   quiz-time ↗
Personal Project
- Built a dynamic quiz app using modern React patterns like Context API and custom hooks
- Persisted game state via local-storage to ensure seamless user experience across sessions

Currency Converter   currency-converter ↗
Personal Project
- Developed a React.js app that converts currencies across the globe with an API
- Supported multiple currencies and real-time conversion rates using API integration

Technical Skills

Languages: JavaScript, HTML, CSS, PHP, Python
Frameworks & Libraries: React.js, Next.js, Node.js, Express.js, Mongoose, Tailwind CSS
Databases: MongoDB, MySQL/SQL
Tools & Technologies: Git, VS Code, Postman, RESTful APIs, AI/LLM Integrations

Education

Institute of Advanced Research (IAR), Gandhinagar   2022 - 2025
Bachelor of Computer Applications

Achievements

First Runner-Up – Gujarat SSIP Hackathon   2022 - 2023
Built AI-powered Career Guidance site that recommends career paths based on user responses
